

map of input zone & what spots are open

Location to see how far you are from zone

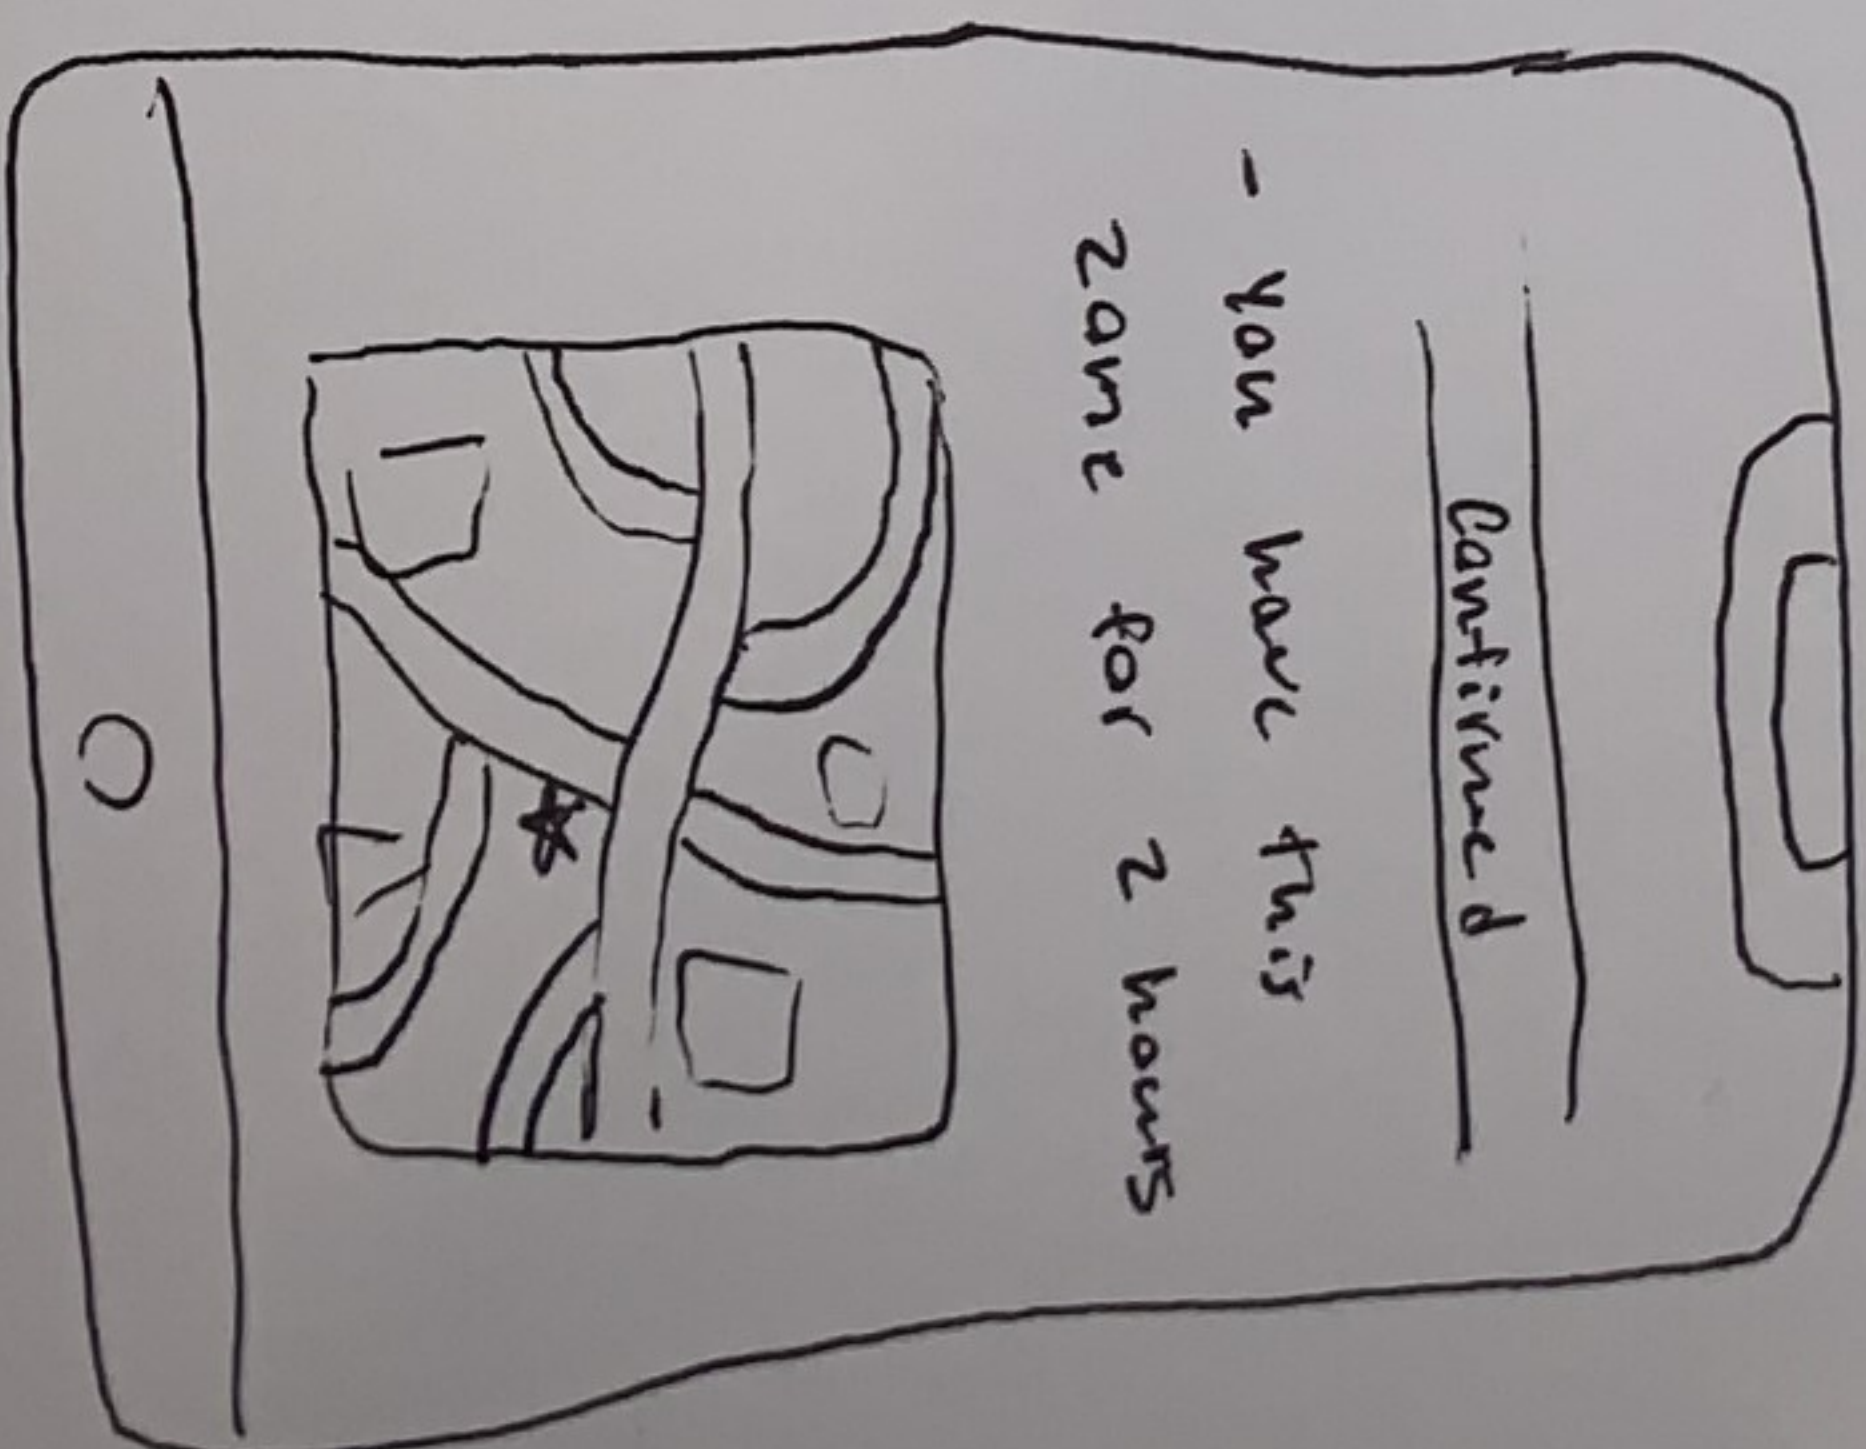

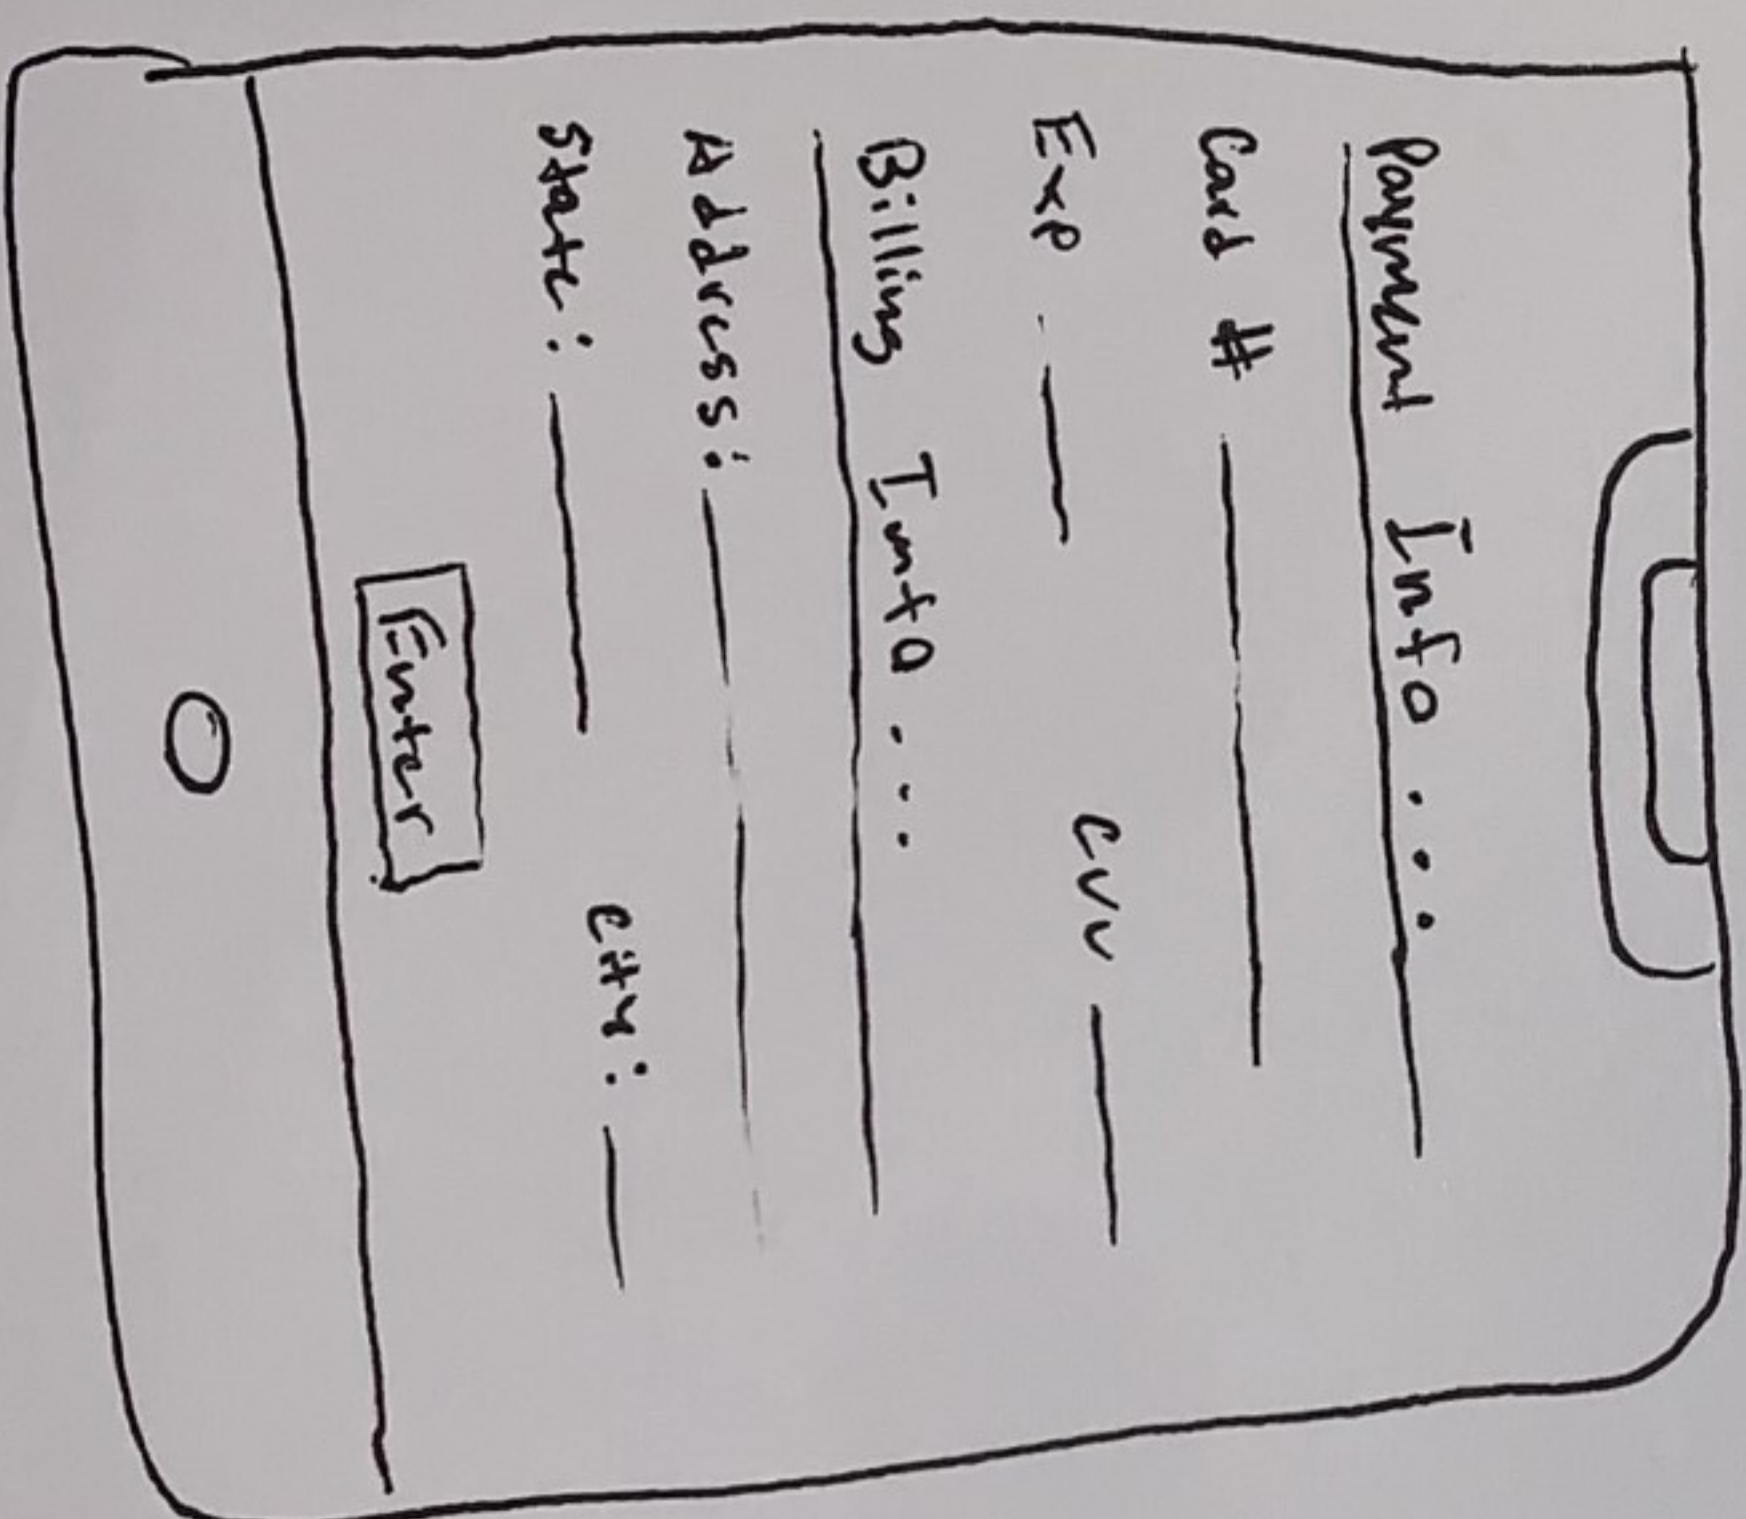

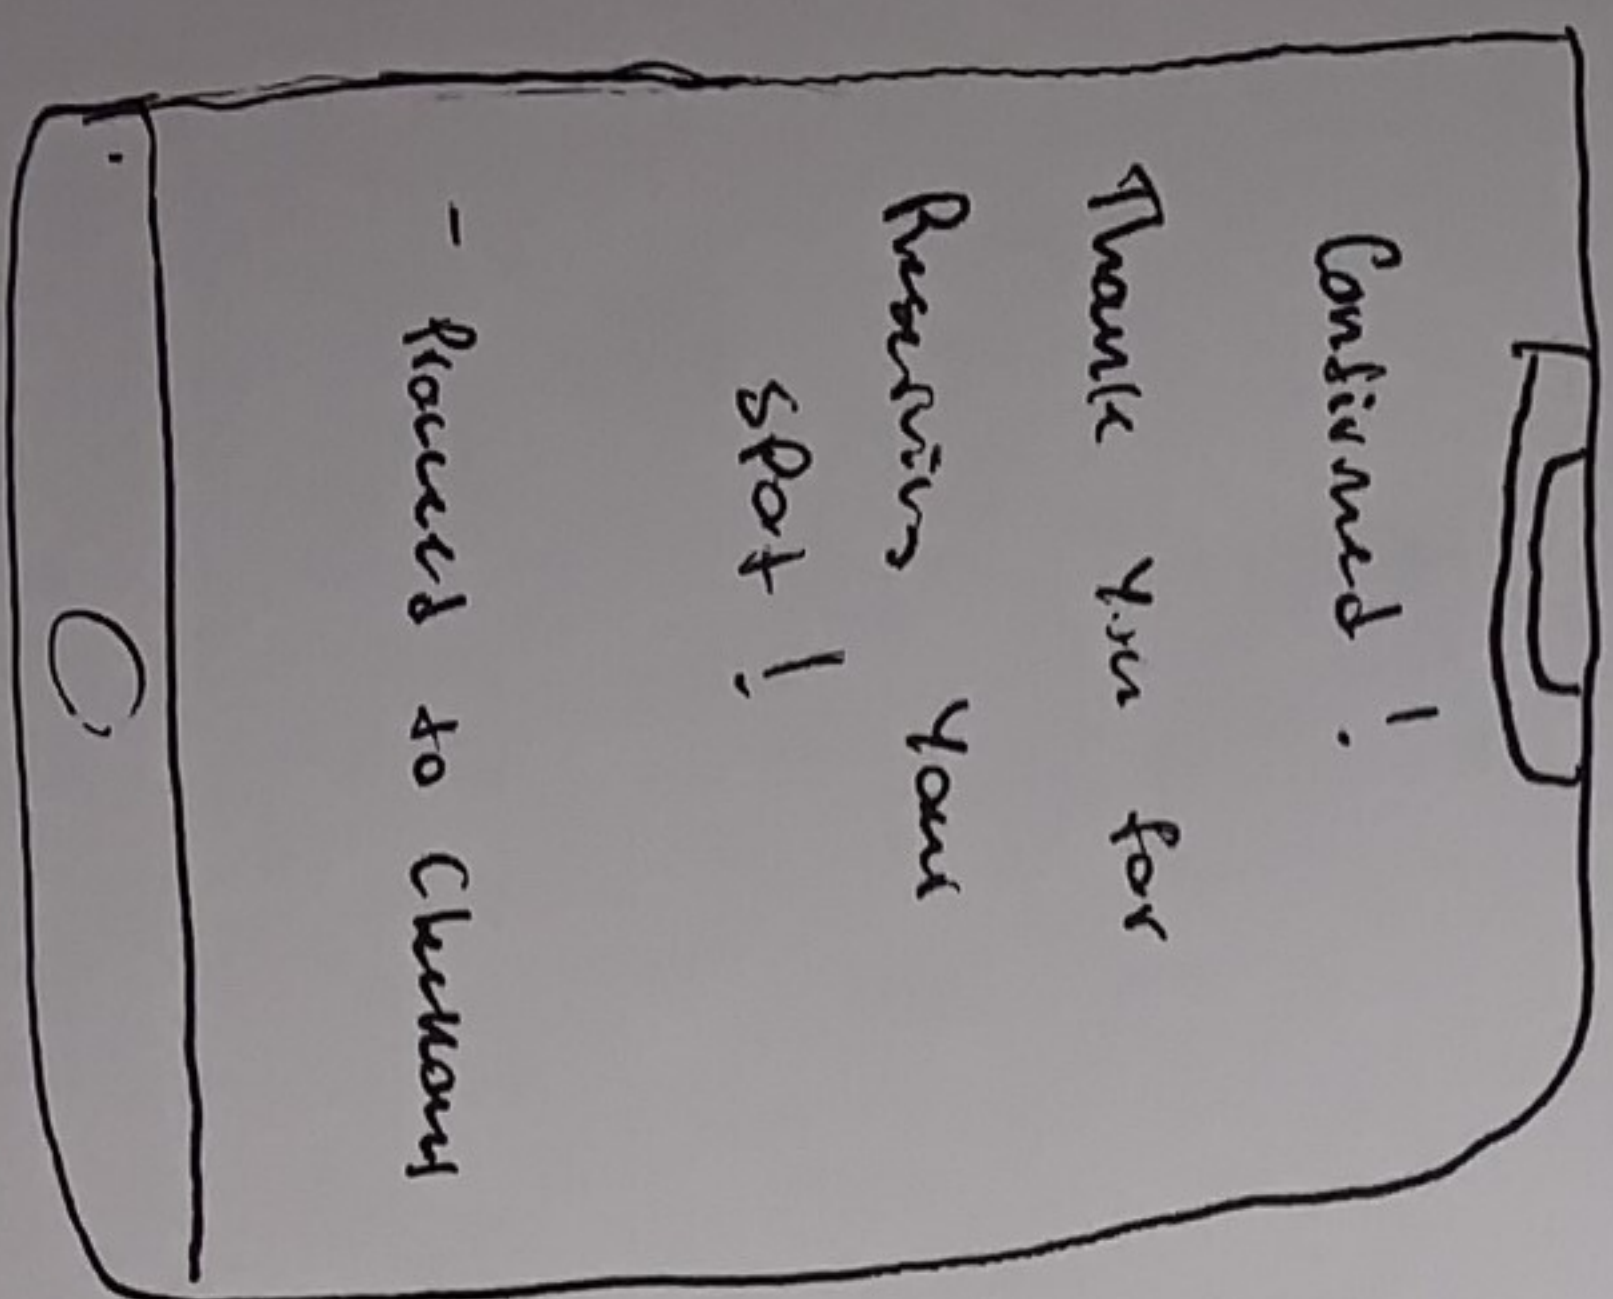

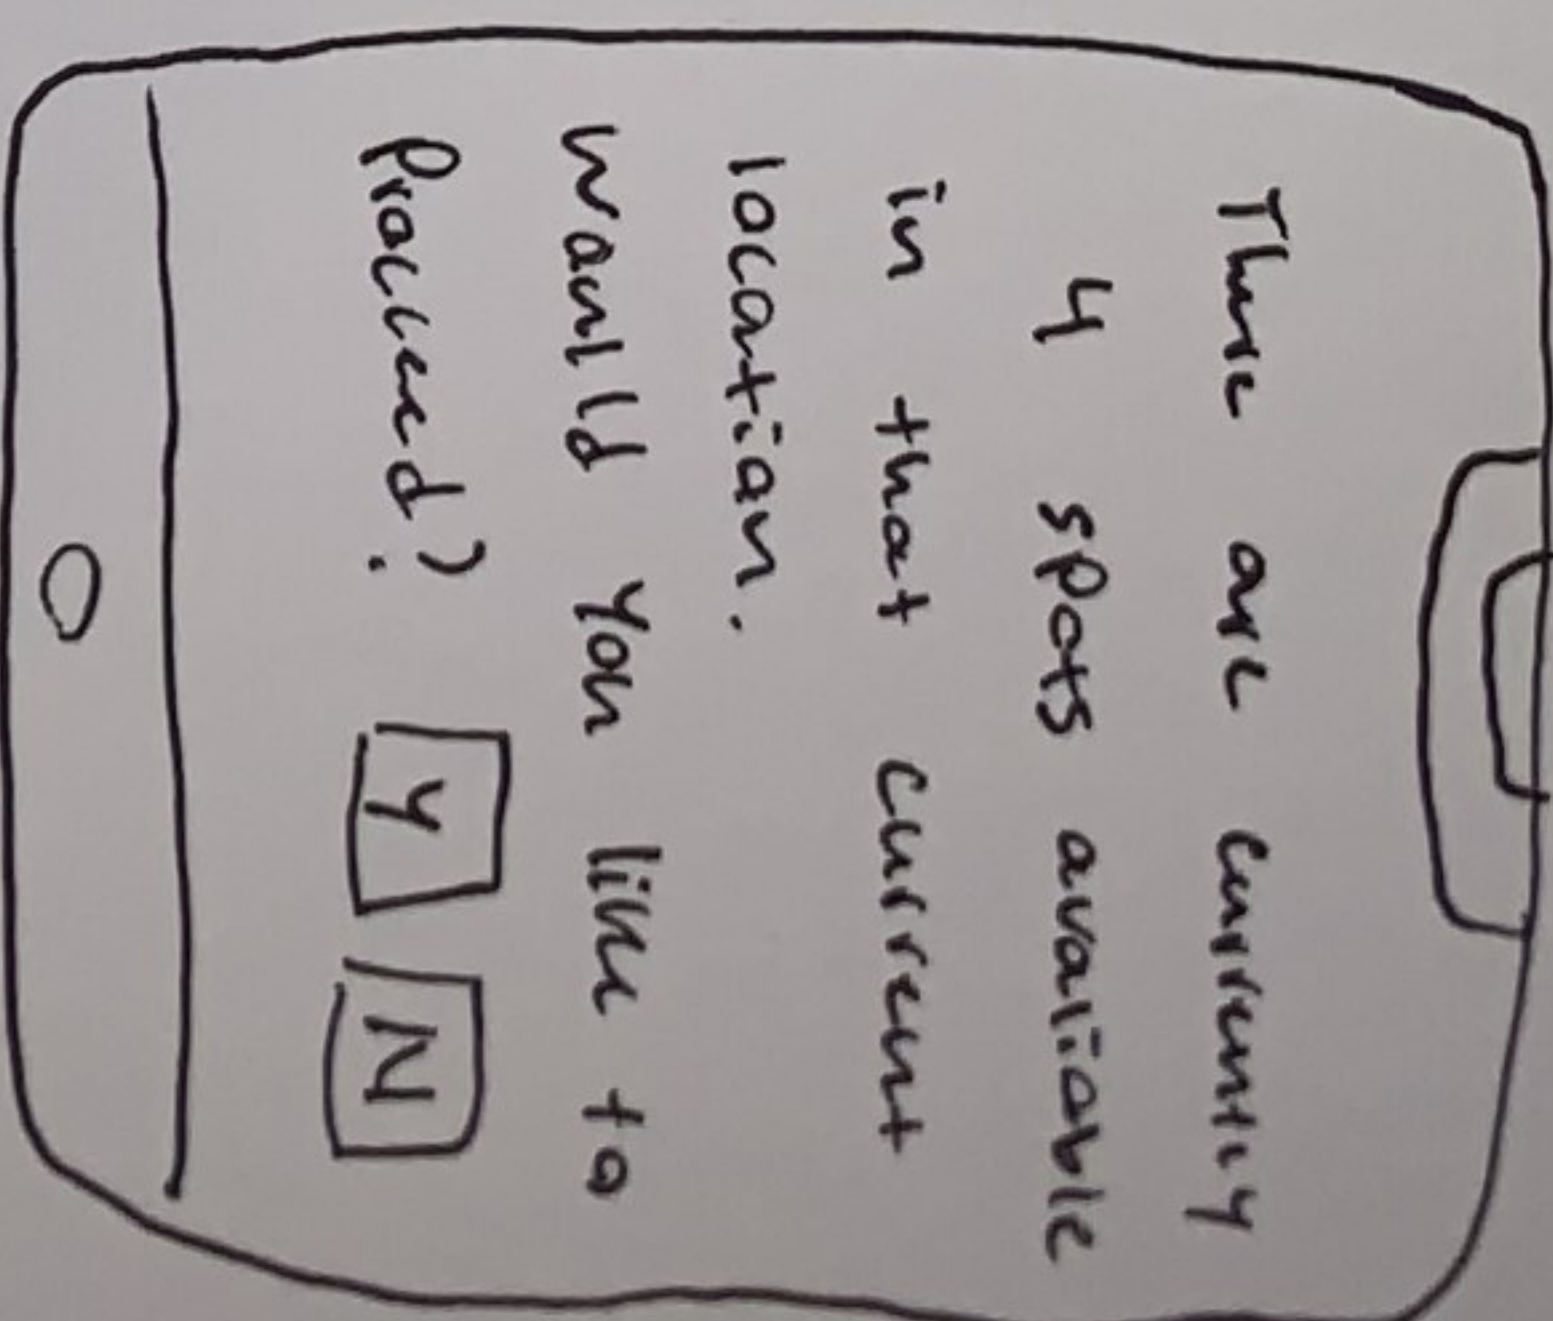

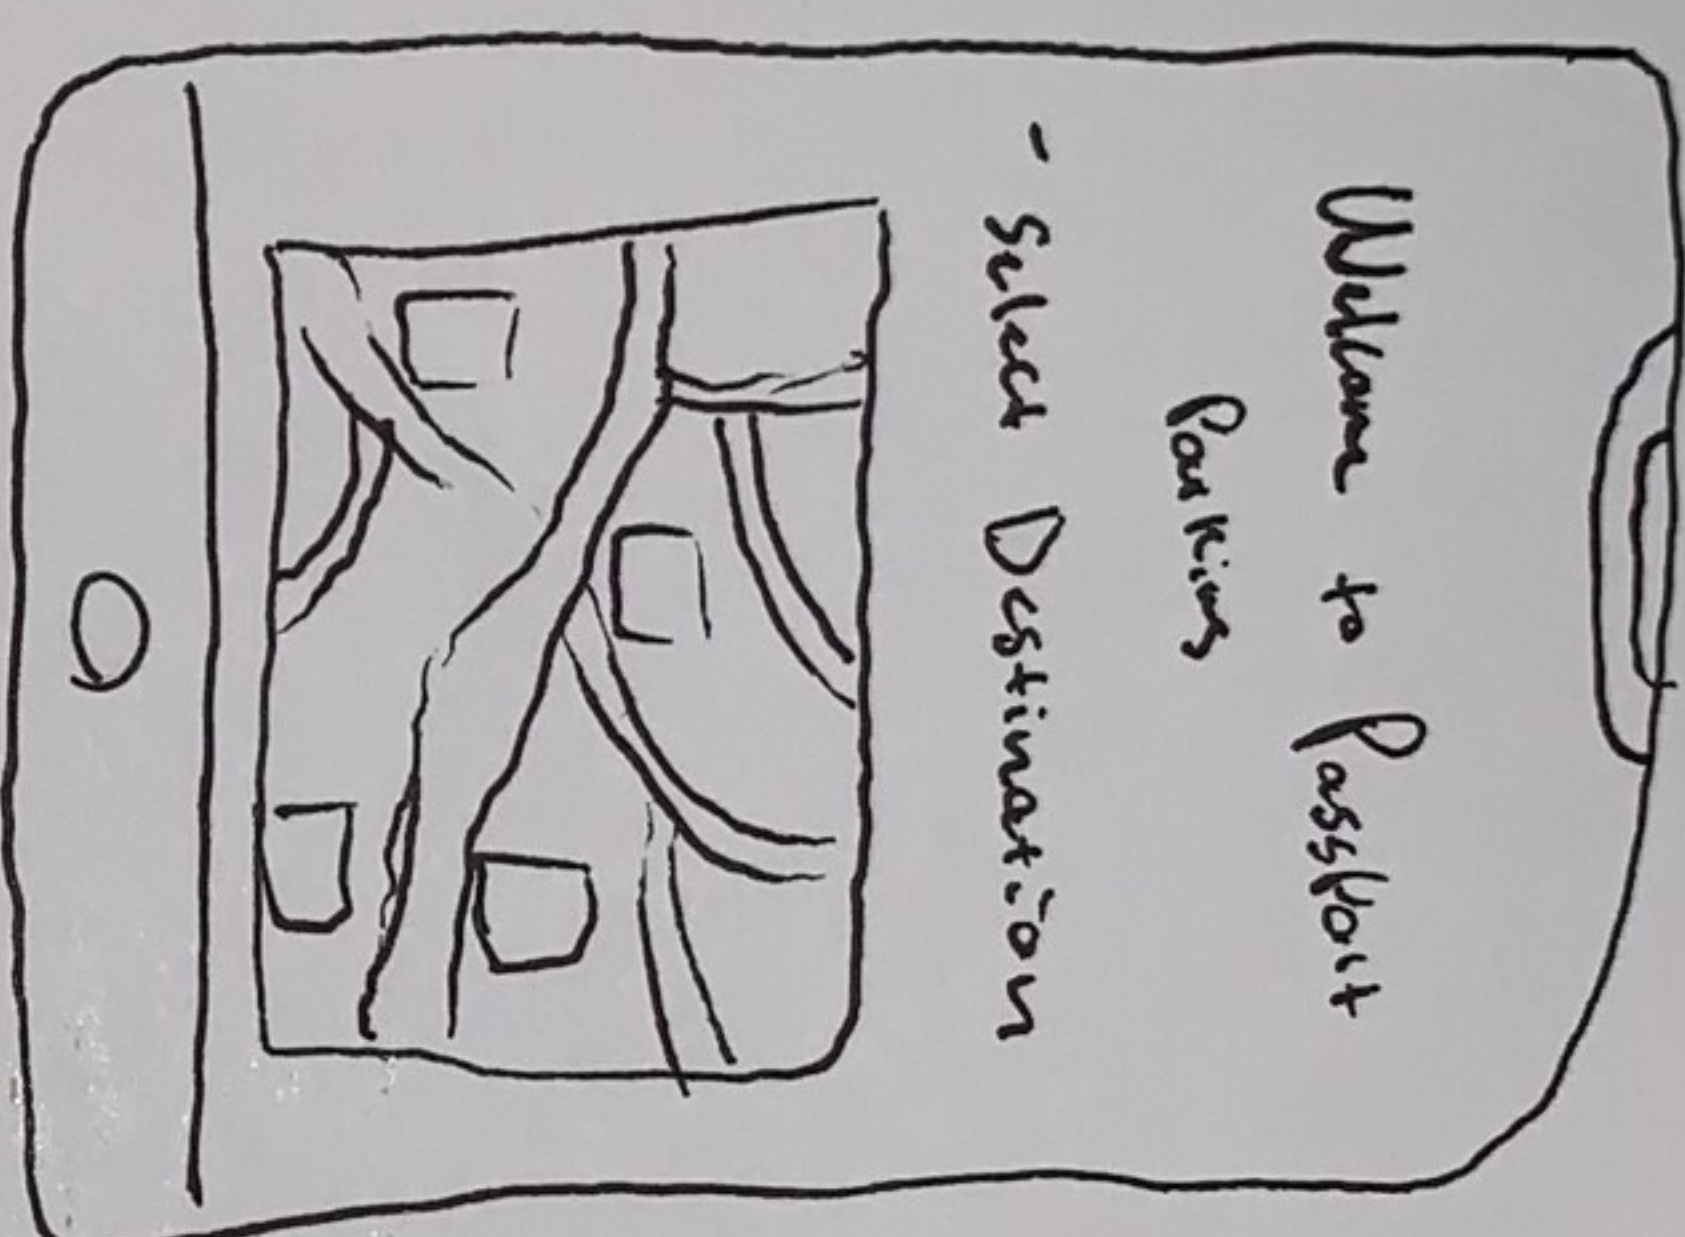

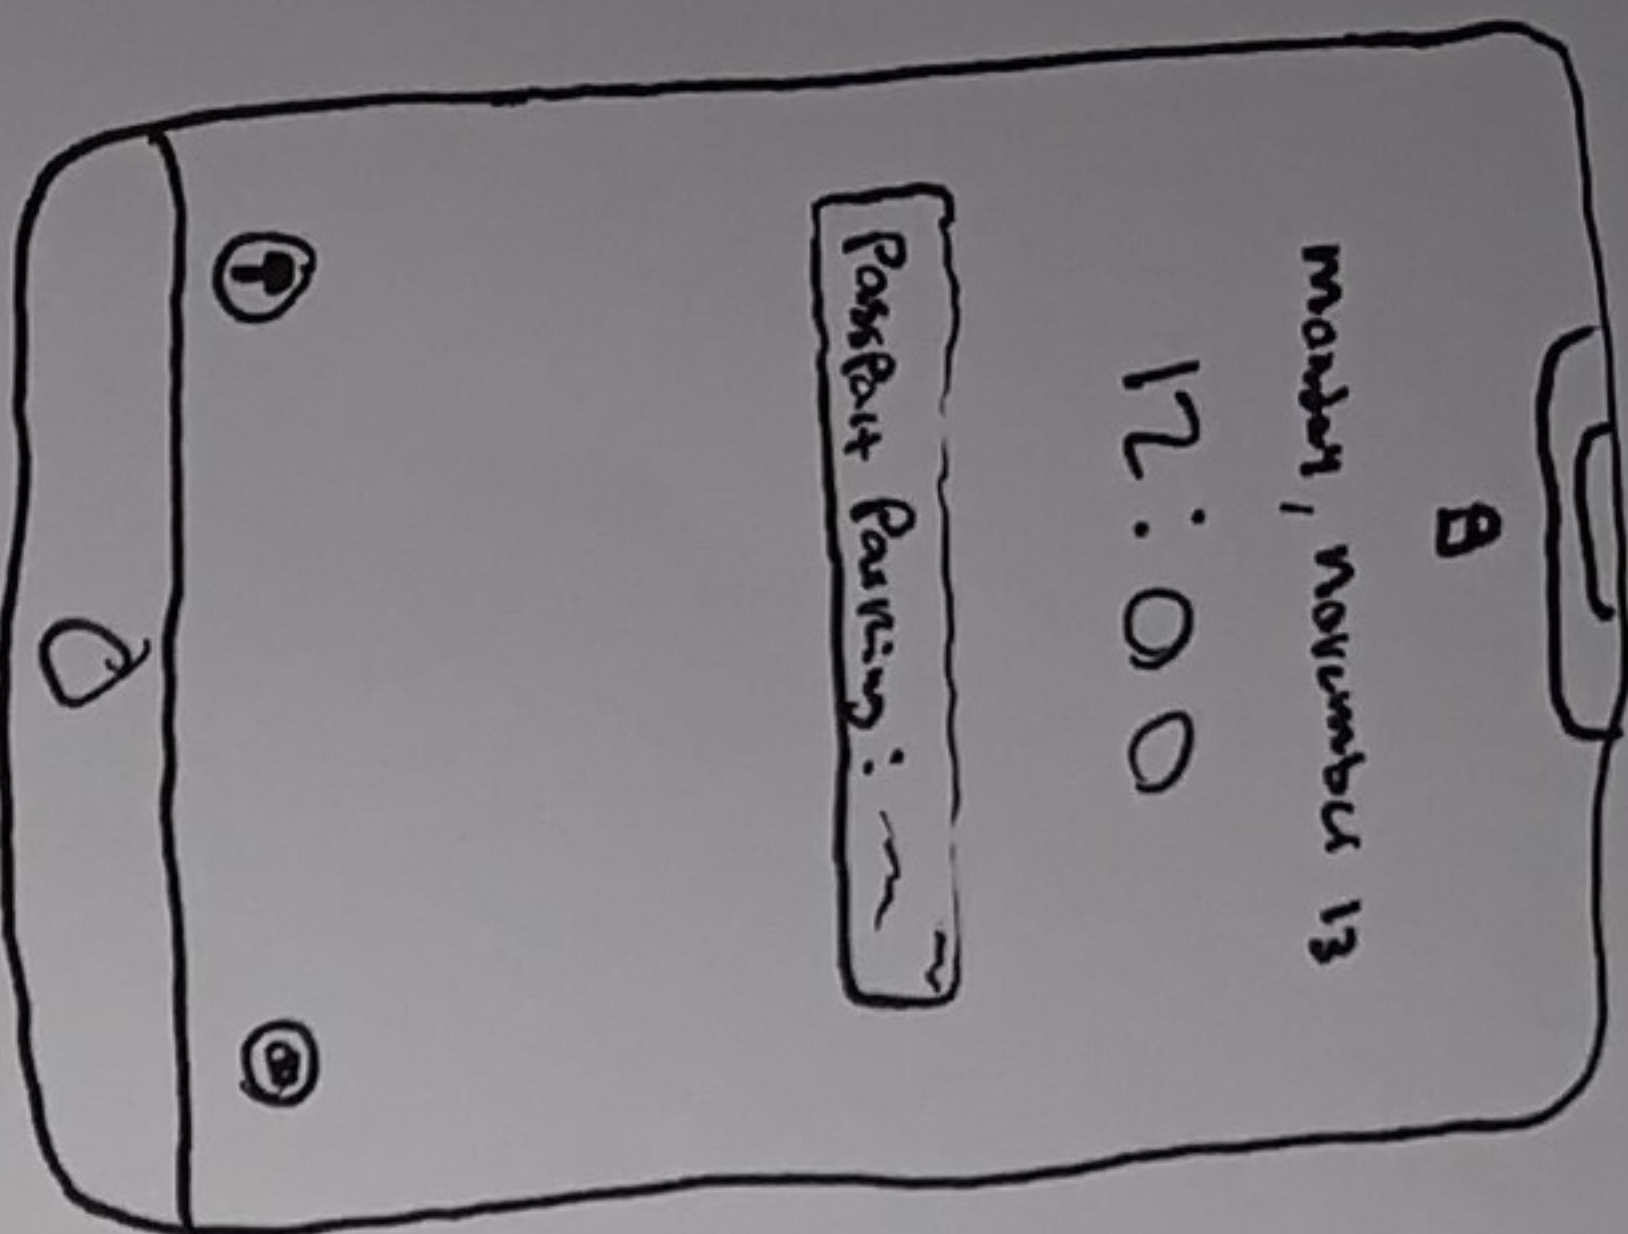

A hand-drawn sketch of a mobile app screen. At the top is a header bar with a camera icon and a "Logo" placeholder. The main content area contains the text "Please enter the time you wish to park till:" followed by a rectangular input field with two dots inside, representing a time selection interface. The bottom of the screen features a home indicator bar.

A hand-drawn sketch of a mobile app screen. At the top is a header bar with a camera icon and a "Logo" placeholder. The main content area contains the text "Please verify you would like to park for " " hours till " " o'clock." Below this text are two buttons: "YES Add to cart" and "No". The bottom of the screen features a home indicator bar.

A hand-drawn sketch of a mobile app screen. At the top is a header bar with a camera icon and a "Logo" placeholder. The screen is divided into two main sections: "Payment Information" and "Billing Information". The "Payment Information" section includes fields for "Card #:", "Exp Date:", and "CVV:". The "Billing Information" section includes fields for "Address:", "State", "City:", and "Zip:". A note on the left side of the screen points to the "State" field, stating "Dropdown box w/ states". At the bottom of the form is an "Enter" button. The bottom of the screen features a home indicator bar.

A hand-drawn sketch of a mobile app screen. At the top is a header bar with a camera icon and a "Logo" placeholder. The main content area contains the text "Congratulations! You are set to park in zone " " until " ". Come back to the app anytime to add time. Thank You!". The bottom of the screen features a home indicator bar.
